To Whom It May Concern,

I have worked with Peyton at Joann Fabrics since the beginning of October. I have helped train her and supervised her. During this time, she has been dependable, punctual and a hard worker.

When being trained she focused well and learned quickly. She always was willing to take on any task that she was asked to do, working well and completing what she was asked to do. She often volunteered to take on projects which were always finished with accuracy and competence.

Occasionally she had to deal with a difficult customer. On these occasions she maintained her professional and courteous attitude. She was always friendly and would keep her composure.

It has been a pleasure and honor to work with Peyton. She will be an asset to what ever she tackles and I would highly recommend her.

If you have any questions, feel free to contact me either by email, karen.damme@gmail.com or by phone, (209)769-2129.

Sincerely,
